

Foothill Gold Line

KIEWIT-PARSONS, A JV

-Glendora to Pomona-

Announcement of Major Construction

**AS MAJOR CONSTRUCTION BEGINS; EXPECT ONGOING
CONSTRUCTION ACTIVITIES WITHIN THE RAILROAD CORRIDOR
AUGUST 2020 - EARLY 2024**

CONSTRUCTION ACTIVITY

Starting in early August, construction crews will begin major construction of the 9.1-mile, four-station Foothill Gold Line light rail project from Glendora to Pomona; performing various and ongoing construction activities within the railroad corridor. Expected early activities will include removing inactive overhead wires and poles as well as removal of all vegetation (trees, shrubs, and debris) affecting the railroad corridor. Ongoing construction will continue for the next few years and consist of activities including, but not limited to: grading, excavation, wall construction, underground utilities installation and track work. Note: Periodic construction notices will be provided prior to additional work taking place; such as work at grade crossings requiring street closures.

WHEN

Construction activities within the railroad corridor are scheduled to begin August 3, 2020 and be ongoing thru early 2024 (crews will be at different areas along the railroad corridor at different times throughout construction). Work will be performed daily - Monday thru Saturday. Construction on Sundays and night work may be performed.

WHERE

Construction activities will take place throughout the 9.1-mile railroad corridor from Barranca Ave. (Glendora) to Garey Ave. (Pomona).

WHAT TO EXPECT

Noise from construction equipment will be produced near the active work zones. Watering equipment will be utilized for dust control where needed.

STAY SAFE

Please obey all posted construction signs and do not enter the construction work zone.
